

## Revenue Share

Earn based on the monthly net revenue generated by your clients.

| Net revenue            | Commission |
|------------------------|------------|
| USD ≤ 20,000 per month | 30%        |
| USD > 20,000 per month | 45%        |

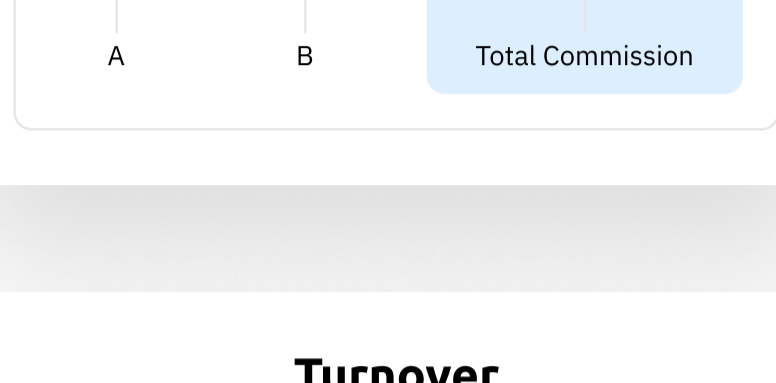

### Disclaimer:

- Affiliates residing in the EU can sign up for the Revenue Share plan but can only refer clients residing outside the EU.
- Affiliates will earn commission from clients who trade on both official Deriv platforms (Deriv Trader, SmartTrader, Deriv Bot, etc) and third-party platforms via Deriv API.
- All products are entitled to generate commission except Multiplier Financials

### Example 1

If a client generates USD 10,000 in monthly net revenue, USD 3,000 will be paid out in commission.

#### Total commission earned

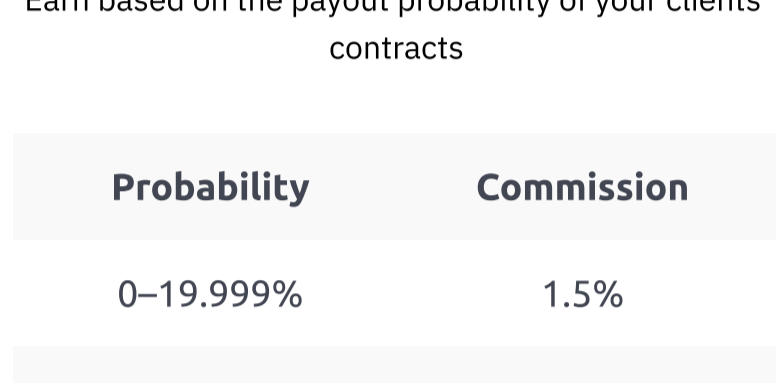

### Example 2

If a client generates USD 25,000 in monthly net revenue, USD 8,250 will be paid out in commission.

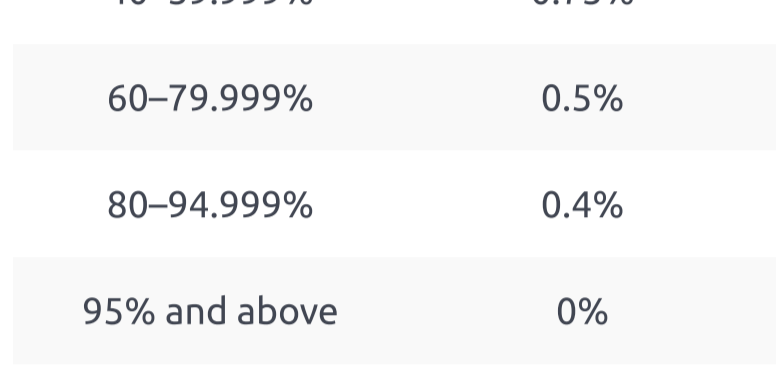

#### A: Commission for USD ≤ 20,000 per month

#### B: Commission for USD > 20,000 per month

#### Total commission earned

## Turnover

### Options

Earn based on the type of Option your clients trade

| Type of Option                  | Commission              |
|---------------------------------|-------------------------|
| Multipliers                     | 40% of client fee       |
| Accumulator Options             | 40% of client fee       |
| Turbo Options                   | 40% of client fee       |
| Vanilla Options                 | 40% of client fee       |
| Lookbacks (only on SmartTrader) | 0.8% of the trade stake |

### Digital Options

Earn based on the payout probability of your clients' contracts

| Probability   | Commission |
|---------------|------------|
| 0–19.999%     | 1.5%       |
| 20–39.999%    | 1%         |
| 40–59.999%    | 0.75%      |
| 60–79.999%    | 0.5%       |
| 80–94.999%    | 0.4%       |
| 95% and above | 0%         |

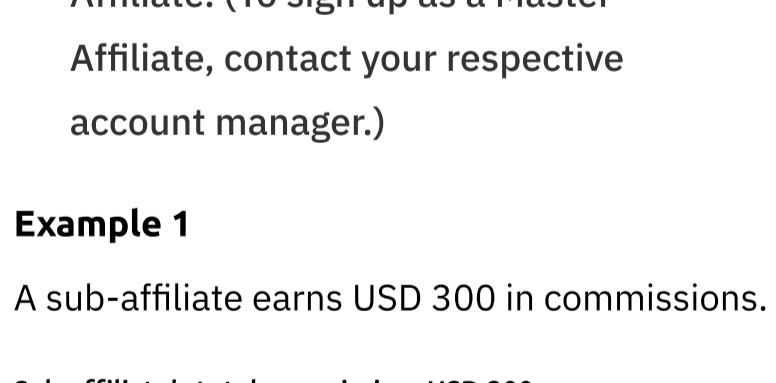

### Disclaimer:

- Affiliates residing in the EU can sign up for the Turnover plan but can only refer clients residing outside the EU.

### Example: Multipliers

Client trades multipliers with a stake of USD 137 with a multiplier of 100. The client is charged USD 5 for this trade (client fee). The resulting commission from the client's trade is USD 2.

#### Total commission earned

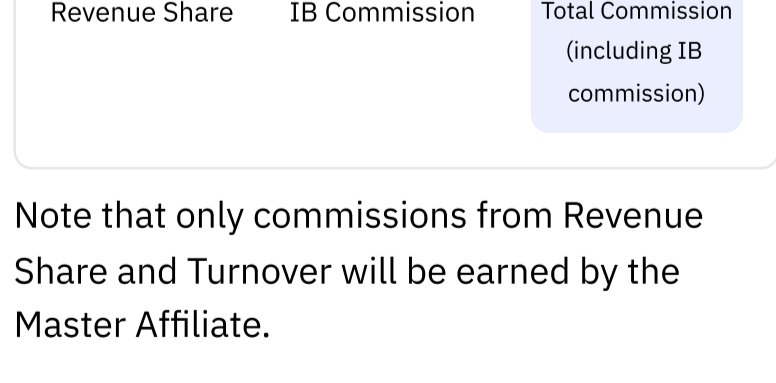

*This formula is also applicable for Vanilla, Turbo, and Accumulator Options.*

### Example: Lookbacks

Client trades with a stake of USD 10. The resulting commission is USD 0.08.

#### Total commission earned

### Example: Digital Options

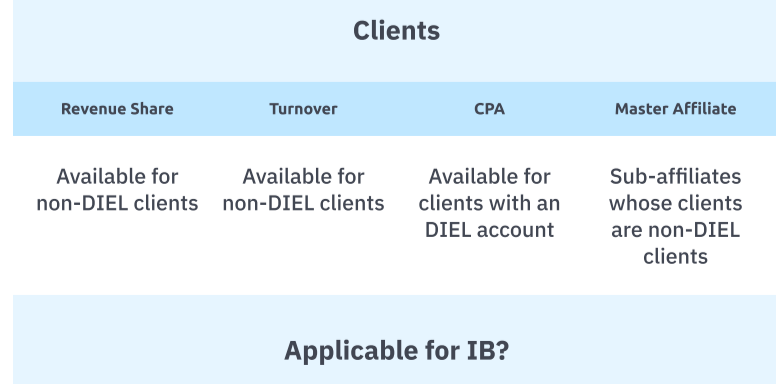

Client trades Digital Options with a stake of USD 10 and receives a payout of USD 15. The resulting commission is USD 0.05.

#### Payout probability

Based on the chart, the probability of return falls under 0.5% commission

#### Calculation is as follows

## CPA

### (Clients with an EU account only)

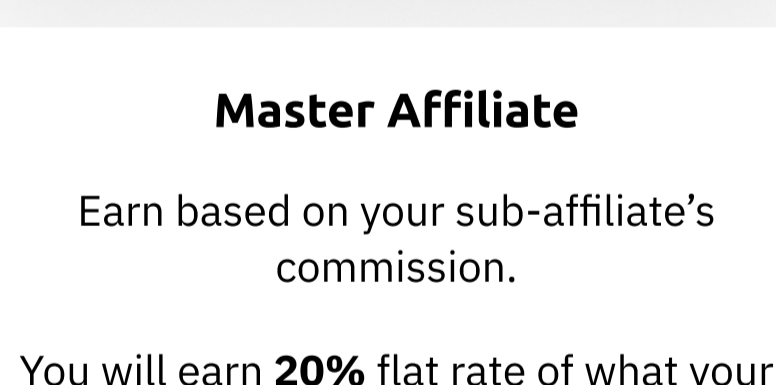

You earn USD 100 when your newly referred client with an EU account deposits a total amount of USD 100 or its equivalent into their Deriv account, either in one deposit or cumulatively.

### Disclaimer:

- This plan is only available for affiliates whose accounts are registered under Deriv Investments (Europe) Limited (DIEL).
- To know if you are eligible to register for the CPA plan, contact us via [live chat](#). Refer to our [terms and conditions](#) for more information.
- This plan only applies to affiliates who promote to clients with a DIEL account.
- Please note that according to regulations, you cannot have clients who reside in Portugal or Spain.
- CPA is a one-time payment per client.

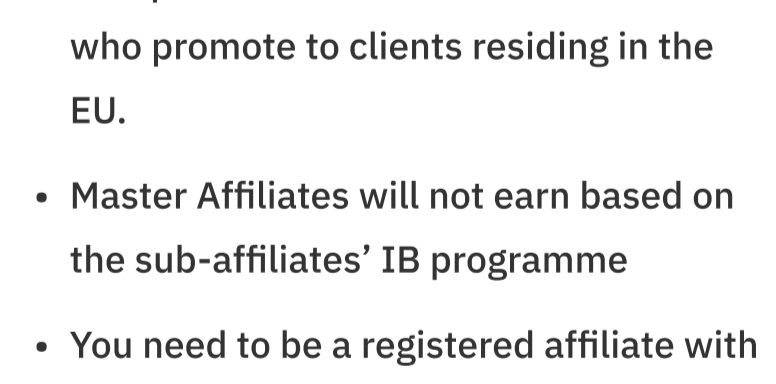

### Example 1

A referred client with a DIEL account deposits USD 100 in one transaction

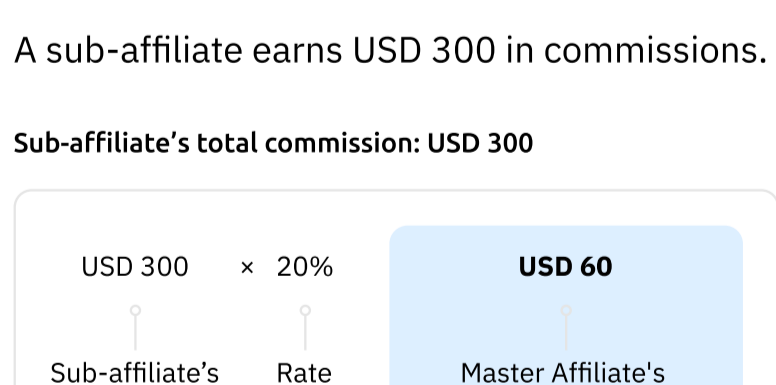

### Example 2

A referred client with a DIEL account based in the EU deposits USD 50 in one transaction

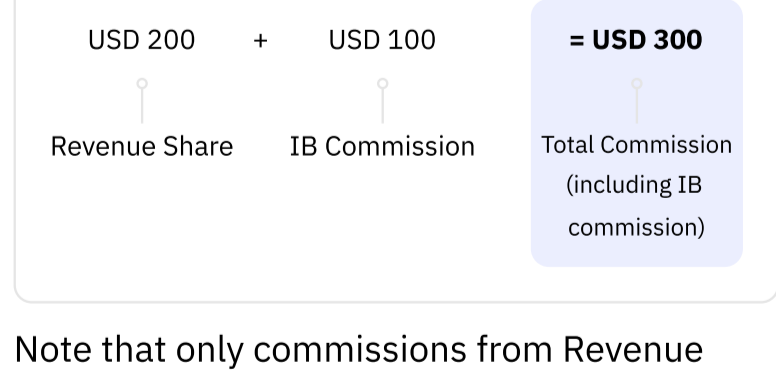

The same client deposits USD 50 in another transaction

### Example 3

A referred client with a DIEL account deposits USD 200 in one transaction

## Master Affiliate

Earn based on your sub-affiliate's commission.

You will earn **20%** flat rate of what your sub-affiliate generates from their commission.

### Disclaimer:

- Only affiliates with Revenue Share and/or Turnover plans are eligible to apply to become Master Affiliates.
- This plan is not available for affiliates who promote to clients residing in the EU.
- Master Affiliates will not earn based on the sub-affiliates' IB programme
- You need to be a registered affiliate with Deriv before signing up as a Master Affiliate. (To sign up as a Master Affiliate, contact your respective account manager.)

### Example 1

A sub-affiliate earns USD 300 in commissions.

#### Sub-affiliate's total commission: USD 300

### Example 2

A sub-affiliate earns USD 200 from their Revenue Share plan and USD 100 from the IB programme.

#### Sub-affiliate's total commission

Note that only commissions from Revenue Share and Turnover will be earned by the Master Affiliate.

#### Total commission for master affiliate
